Golf and Bowling Greens and lawns		45mL in 20L water per 100m ²	
Newly sown turf		30mL in 20L water per 100m ²	Do not apply until 4 weeks after first mowing.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION

Sportsground®

GENERAL INSTRUCTIONS

Do not mow turf for 2 days before or after treatment. Repeat applications may be required to control some hard to kill weeds and these can be applied at intervals of 7-14 days.

GROUP	I	HERBICIDE
--------------	----------	------------------

HERBICIDE RESISTANCE WARNING

Sportsground is a member of the Phenoxies group of herbicides. The product has the disruptors of plant cell growth mode of action. For weed resistance management Sportsground is a Group I herbicide. Some naturally occurring weed biotypes resistant to Sportsground and other Group I herbicides may exist through normal genetic variability in any weed population. The resistant individuals can eventually dominate the weeds population if these herbicides are used repeatedly. These resistant weeds will not be controlled by Sportsground or other Group I herbicides. Since the occurrence of resistant weeds is difficult to detect prior to use, Colin Campbell (Chemicals) Pty Ltd accepts no liability for any losses that may result from the failure of Sportsground to control resistant weeds.

PROTECTION OF CROPS, NATIVE AND OTHER NON-TARGET PLANTS

DO NOT apply under weather conditions, or from spraying equipment, that may cause spray to drift onto nearby susceptible plants/crops, cropping lands or pastures. Avoid spray drift onto susceptible crops such as cotton, tobacco, tomatoes, vines, lupins, fruit trees and ornamentals.

DO NOT use unless wind speed is more than 3 kilometres per hour and less than 15 kilometres per hour as measured at the application site.

DO NOT apply with smaller than coarse to very coarse spray droplets according to the ASAE S572 definition for standard nozzles.

PROTECTION OF LIVESTOCK

DO NOT graze treated turf/lawn; or feed turf/lawn clippings from any treated area to poultry or livestock.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. DO NOT store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on-site. If recycling replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Poisonous if swallowed. May irritate the eyes and skin. Avoid contact with eyes and skin. Do not inhale spray mist. When opening container and preparing the spray wear cotton overalls buttoned to the neck and wrists and washable hat, impervious footwear, elbow-length PVC gloves and face shield or goggles. When using the prepared spray and wear cotton overalls buttoned to the neck and wrist and a face shield. If product on skin, immediately wash area with soap and water. After use and before eating, drinking or smoking wash hands, arms and face thoroughly with soap and water. After each days use, wash gloves and face shield or goggles and contaminated clothing.

Additional hazard and precautionary statement required by WHS

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

Not combustible. Use extinguishing media suited to burning materials.

FIRST AID

If poisoning occurs, contact a doctor or the poisons information centre on 13 11 26. If skin contact occurs remove contaminated clothing and wash skin thoroughly. If in eyes hold eyes open, flood with water for at least 15 minutes and see a doctor.

CONDITIONS OF SALE: Agricultural, horticultural and pastoral preparations in their application involve varying factors such as differing conditions, soil, climate and methods of application over which Colin Campbell (Chemicals) Pty Ltd (Company) does not have control. Whilst the Company believes that all goods sold by it are true to label and are effective and safe for the purpose indicated, the Company expressly excludes all conditions, guarantees and warranties, whether express, implied, statutory or otherwise, relating in any way to the goods and accepts no responsibility for any loss, harm or damage whatsoever suffered from the use of the goods for any purpose or purposes. Notwithstanding the foregoing, where any legislation implies any condition, guarantee or warranty (each, a Statutory Guarantee) and that legislation prohibits provisions excluding, restricting or modifying the application of, the exercise of a right conferred by or liability under such Statutory Guarantee, such Statutory Guarantee shall not be excluded. However the Company's liability for any breach of such Statutory Guarantee shall, if permitted by that legislation, be limited at the Company's option to the replacement of the goods or the supply of equivalent goods, or the payment of the cost of replacing the goods or of acquiring equivalent goods.
